Dear Friend,

*Marissa Kittas*

Sincere Thanks for joining with us to create our most successful Victorian Christmas Designer Show House at the Daniel Webster Estate.

Your sponsorship, generosity and interest in this important undertaking are very much appreciated. Support for this delightful Holiday event enables us to offer the public a dynamic and festive show house in collaboration with talented South Shore Interior Designers and Floral Designers. The end result creates a true fund-raising project allowing the continued up-keep and restoration of the Webster Estate ~ and important part of Marshfield's history ~ along with the ability to open its doors to South Shore residents for a variety of activities during the year.

Once again, thank you for your support and best wishes to you in the New Year.

Sincerely,

*Carol Kiburis and Jean Christensen*

It is wise for us to recur to the history of our ancestors. Those who do not look upon themselves as a link connecting the Past with the Future, do not perform their duty to the world.
